

TISPL's strength lies in perceiving the client's business processes, culture, vision and goals across the industry segments and offering client oriented solutions, which are highly reliable.

We commenced operations in Sep'2018 , to provide consulting and IT services to clients - globally as partners to conceptualize and realize technology driven business transformation initiatives. With a rare mix of domain, technology & project management experts, we bring the most complete team to bear on every project we take on. Business & technology experts.
